Dated: 19<sup>th</sup> May 2026

## PRESS RELEASE

### **131<sup>st</sup> Meeting of Enforcement Task Force (ETF) reviews enforcement actions, compliance status and sector-specific inspections across NCR**

NEW DELHI:

The 131<sup>st</sup> meeting of the Enforcement Task Force (ETF) of the Commission for Air Quality Management in NCR and Adjoining Areas (CAQM) was held on 18.05.2026 to review enforcement actions, inspections and compliance status across the National Capital Region (NCR) for the reporting period from 29.04.2026 to 10.05.2026.

During the reporting period of 12 days, a total of 125 inspections were carried out by the Flying Squads of the Commission, covering key sectors including 20 inspections across Construction & Demolition (C&D) sites, 51 inspections across Industrial Sector and 54 inspections related to Diesel Generator (DG) sets. A total of 39 violations were reported across these sectors, including 10 from C&D sites, 10 from industrial sector and 19 for DG sets violations.

Based on the inspection reports for reported violations, closure of 07 units/ projects, sealing of 13 DG sets, issuance of 12 Show Cause Notices (SCNs), imposition of Environmental Compensation (EC) in 04 cases and issuance of advisory to units in 03 cases have been proposed. Out of the proposed enforcement actions, 06 actions have already been completed, while several other actions are under process.

The Task Force also reviewed actions taken pursuant to the 130<sup>th</sup> ETF meeting and noted that all actionable cases pertaining to industrial sector, C&D sector and DG sets have been acted upon by the concerned agencies. Further, a total of 17 resumption orders have been issued after verification of compliance, including 13 pertaining to industrial units and 04 related to C&D sites across NCR.

The ETF also reviewed the issue of road dust mitigation and took note of inspections carried out by NOIDA Authority on 08.05.2026 wherein 46 areas were inspected and 28 violations were reported and SCNs have been issued for repeat violations.

The Commission emphasized the need for timely submission of inspection reports by Flying Squad teams along with photographic/ videographic evidence. Directions were also reiterated for verification of fuel details, DG set compliance under Direction No. 76 and compliance of Consent to Operate (CTO) conditions during inspections.

Further, the updated cumulative enforcement status as on 18.05.2026 was reviewed. It was noted that as on 18.05.2026, a total of 27,133 units/ projects/ entities have been inspected so far by the Flying Squads of the Commission. Based on these inspections, 1,784 Closure Directions have been issued, out of which 1,382 Resumption Orders have been issued upon verification of compliance. Further, 123 cases have been transferred to the respective State Pollution Control Boards (SPCBs)/Delhi Pollution Control Committee (DPCC) for final decision, while 279 entities remain under examination.

The Commission reiterated the need for strengthened enforcement mechanisms, timely compliance verification, improved coordination among implementing agencies and strict adherence to environmental norms for effective abatement of air pollution across NCR. Continued focus was also laid on enhancing inspection efficiency, ensuring accountability and expediting enforcement actions in priority sectors including industrial emissions, DG sets, C&D activities and road dust management.
