F. No. A-11011/07/2021/CAQM-VP/1131DT

28th November, 2024

Subject: Exemption request for persons with Disabilities using adopted vehicles-reg.

Under clause 7 of the Stage III of the extant schedule of the GRAP issued vide Direction No. 83 dated 17.09.2024, NCR State Govts. / GNCTD are required to impose strict restrictions on plying of BS III petrol and BS IV diesel LMVS (4 wheelers) in Delhi and in the districts of Gurugram, Faridabad, Ghaziabad and Gautam Budh Nagar. Stage-III of the GRAP has been invoked w.e.f. 8 AM of 15.11.2024.

2. In this regard, a representation has been received seeking exemption for using adopted BS-III Petrol vehicles by persons with disabilities during GRAP-III & GRAP IV, when there is a ban on plying of BS-III petrol vehicles, citing practical difficulties in daily commuting by persons with disabilities during the period of restrictions under the GRAP Stage III & above, largely due to inaccessibility of public transport system, lack of accessible pavements at metro stations and frequent cancelling of trips by Ride-hailing services.

3. Considering such practical difficulties being faced/likely to be faced by the persons with disabilities in their daily commuting, the request for exemption for use of adopted BS-III Petrol/BS-IV Diesel Vehicles even during restriction period under Stage-III of GRAP, has been examined in the Commission and considered for permitting plying of such BS-III Petrol/BS-IV Diesel vehicles even under GRAP Stage III & above only as a matter of exception. Enforcement agencies in Delhi-NCR may be, accordingly, advised to permit plying of all such adopted vehicles for personal use of persons with disabilities.
