F. No. A-110018/01/2021-CAQM/-1138-A/DT Dated 1st December, 2024

To

The Chief Secretaries

Govt. of Haryana / Uttar Pradesh / Rajasthan / NCT of Delhi.

**Subject: Compliance of Hon'ble Supreme Court's Orders dated 25th
and 28th November, 2024 in WP No. 13029 of 1985.**

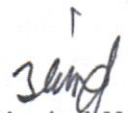

Ref: This office letters of even number dated 27.11.2024 and 30.11.2024.

Sir,

In furtherance of the letters under reference, wherein the Commission had directed to take mitigating measures for all such sections of society, which are affected by the restrictions under Stage III and IV of GRAP in the NCR, as invoked by the Commission from time to time, the Commission directs that the following mitigating actions may be undertaken: -

- i. Directing the project proponents to provide for community kitchens using fuels as permitted in Delhi-NCR for the workers engaged in construction and demolition, stone crushers, mining and associated activities in these sectors and other such affected sectors. Such activities could also be tied up through social organizations and Non-Governmental Organizations (NGOs);
- ii. Directing the project proponents to make provisions for providing hot water to such workers engaged in aforementioned sectors through community heating arrangements using fuels as permitted in Delhi-NCR;

- iii. Considering the difficulties that the severe winter season poses to such economically weaker sections of the society, heaters or other warming accessories may be provided to them including in common spaces near their settlements;
 - iv. Ensuring that all Resident Welfare Associations provide heaters to the staff providing various services viz. security, sanitation, horticulture and other miscellaneous services and also encouraging individual house owners to provide electric heaters to security/ other staff employed by them, to avoid open burning of bio-mass/ MSW;
2. Besides, Government of NCT of Delhi/ NCR State Governments may consider enhancing the scope of extant welfare schemes and programs to also include such affected sections and take such other measures as deemed fit.
